

**THE UNITED STATES BANKRUPTCY COURT
FOR THE WESTERN DISTRICT OF NEW YORK
IS PLEASED TO ANNOUNCE A NEW
PUBLIC INFORMATION ACCESS SERVICE**

PACER

(Public Access to Court Electronic Records)

This service allows you to retrieve electronic docket summaries using your computer or terminal and a 33.6 or slower baud modem in your office or home virtually twenty-four hours a day.

You can search for a case by participant name or by case number. Once you find the case you want, you can have all the basic case information and a listing of the case docket entries for the preceding six months transmitted to you, ready to print on your own printer. You can track the progress of a case in seconds.

All case information entered during the day is updated into PACER that night. Case information for active and recently closed cases is available, without making telephone calls or trips to the Court.

PACER FEATURES INCLUDE:

- Active Cases (Basic case info., dockets)
- Listing of New Cases
- Closed Cases (Archives - basic case info. only)
- Participating Pacer Courts
- Participating VCIS Courts
- Cases Discharged Last Month
- Cases Dismissed Last Month
- Cases Closed Last Month
- Change Password
- Review Billing History
- Registry of Claims, by Name or Case (1995 or later Cases)
- Request Mailing Matrix **NEW**

A NOTE ON PACER SECURITY:

Although the **PACER** system is an entirely separate system from the Court's main computer, it still is a court operational system containing very important data. A breach in the system security resulting in data corruption or loss would affect all users of the **PACER** system and possibly render the system inoperable for an extended period of time. It is to the user's advantage to help maintain system security. Please see that the following rules of security are read and understood by all the **PACER** users in your organization.

1. Keep knowledge of your system login and password confined to authorized **PACER** users within your organization.
2. Never write down your login or password where it can be seen or viewed by unauthorized users.
3. Never set your computer to login automatically to **PACER**.
4. Always use the **PACER** system as it was originally intended to be used and never allow any unauthorized use of the **PACER** system.
5. If you wish to change your password, or upon the discontinuation of employment of an authorized user of **PACER**, please contact the PACER Service Center immediately.

Unauthorized use of a government computer system is a Federal offense. All system logins are maintained on a file and users are responsible for access to the system under their respective logins.
